

Attendance, Excused Absences and Truancy

Regular and punctual student attendance in school is essential to the educational process. Connecticut state law places responsibility for assuring that students attend school with the parent or other person having control of the child. To assist parents and other persons in meeting this responsibility, the Board of Education (the “Board”), through its Superintendent, will adopt and maintain procedures to implement this policy.

In addition, the Board takes seriously the issue of chronic absenteeism. To address this issue, the Board , through its Superintendent, will adopt and maintain procedures regarding chronic absenteeism in accordance with state law.

Attendance, Excused Absences and Truancy**Regulations****I. Attendance and Truancy****A. Definitions for Section I**

1. “Absence” - any day during which a student is not considered “in attendance” at the student’s assigned school, or on a school sponsored activity (e.g. field trip), for at least one half of the school day.
2. “Disciplinary absence” - Any absence as a result of school or district disciplinary action. Any student serving an out-of-school suspension or expulsion should be considered absent. Such absence is not considered excused or unexcused for attendance and truancy purposes.
3. “Educational evaluation” - for purposes of this policy, an educational evaluation is an assessment of a student’s educational development, which, based upon the student’s presenting characteristics, would assess (as appropriate) the following areas: health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status and motor abilities.
4. “Excused absence” - a student is considered excused from school if the school has received written documentation, as described in section I.B., below, describing the reason for the absence within ten (10) school days of the student’s return to school, or if the student has been excluded from school in accordance with section 10-210 of the Connecticut General Statutes (regarding communicable diseases), and the following criteria are met:
 - a. Any absence before the student’s tenth (10th) absence is considered excused when the student’s parent/guardian approves such absence and submits appropriate written documentation in accordance with this regulation.
 - b. For the student’s tenth (10th) absence and all absences thereafter, a student’s absences from school are, with appropriate documentation in accordance with this regulation, considered excused only for the following reasons:
 - i. student illness (verified by an appropriately licensed medical professional);
 - ii. religious holidays;
 - iii. mandated court appearances (documentation required);
 - iv. funeral or death in the family, or other emergency beyond the control of the student’s family;
 - v. extraordinary educational opportunities pre-approved by the building principal and in accordance with Connecticut State Department of Education guidance and this regulation; or
 - vi. lack of transportation that is normally provided by a district other than the one the student attends.
 - c. A student, age five (5) to eighteen (18), inclusive, whose parent or legal guardian is an active duty member of the armed forces who has been called for duty, is on leave from or has immediately returned from deployment to a combat zone or combat support posting, shall be granted ten (10) days of excused absences in any school year, and, in the discretion of the administration, additional excused absences to visit such student’s parent or legal guardian with respect to the parent’s leave or deployment. In the case of such excused absences, the student and parent

or legal guardian are responsible for obtaining assignments from the student's teacher prior to any period of excused absence, and for ensuring that such assignments are completed by the student prior to the student's return to school.

"Excused absence" excludes a student's engagement in (1) virtual classes, (2) virtual meetings, (3) activities on time-logged electronic systems, and (4) the completion and submission of assignments, if such engagement accounts for not less than one-half of the school day during remote learning.

5. "In Attendance" - Any day during which a student is present at the student's assigned school, or an activity sponsored by the school, for at least half of the regular school day.
6. "Mental health wellness day" – a school day during which a student attends to such student's emotional and psychological well-being in lieu of attending school.
7. "Remote learning" means instruction by means of one or more Internet-based software platforms as part of a remote learning model as may be authorized by the South Windsor Board of Education (the "Board) in accordance with applicable law.
8. "Student" - a student enrolled in the South Windsor Public Schools (the "District").
9. "Truant" - any student five (5) to eighteen (18) years of age, inclusive, who has four (4) unexcused absences from school in any one month or ten (10) unexcused absences from school in any school year.
10. "Unexcused absence" - any absence from a regularly scheduled school day for at least one half of the school day, which is not excused or considered a disciplinary absence.

The determination of whether an absence is excused will be made by the building principal or designee. Parents or other persons having control of the child may appeal that decision to the Superintendent or designee, whose decision shall be final.

"Unexcused absence" excludes a student's engagement in (1) virtual classes, (2) virtual meetings, (3) activities on time-logged electronic systems, and (4) the completion and submission of assignments, if such engagement accounts for not less than one-half of the school day during remote learning.

B. Mental Health Wellness Days

Any student enrolled in grades kindergarten to twelve, inclusive, shall be permitted to take two mental health wellness days during the school year, during which day such student shall not be required to attend school. No student shall take mental health wellness days during consecutive school days. Mental health wellness days shall be excused when permission by the student's parent/guardian is documented by the student's school, regardless of the number of absences a student has accrued in the school year. Mental health wellness days will not be included in reporting or referrals related to truancy. Mental health wellness day will count as an "absence" for determining chronic absenteeism, as defined in Section II of this policy.

C. Written Documentation Requirements for Absences

1. Written documentation must be submitted for each incidence of absence within ten (10) school days of the student's return to school. Consecutive days of absence are considered one incidence of absence.
2. The first nine (9) days of absence will be excused upon: receipt of a signed note from the student's parent/guardian, a signed note from a school official that spoke in person with the parent/guardian regarding the absence, or use of an alternative documentation method as set forth in the State Department of Education Guidelines for the Implementation of the

Definitions of Excused or Unexcused Absences, or a note confirming the absence by the school nurse or by a licensed medical professional, as appropriate.

3. For the student's tenth (10th) absence, and all absences thereafter, documentation of the absence must be submitted in accordance with paragraphs 1 and 2 above, and must also include the reason for the absence and the following additional information:
 - a. student illness:
 - i. a signed note from a medical professional, who may be the school nurse, who has evaluated the student confirming the absence and giving an expected return date; or

 - f. lack of transportation that is normally provided by a district other than the one the student attends: none.
4. Neither e-mail nor text message shall serve to satisfy the requirement of written documentation. In rare and extraordinary circumstances, a building administrator may, in the administrator's own discretion, accept the delivery of written documentation through a scanned copy sent by e-mail.
5. The District reserves the right to randomly audit written documentation received, through telephone and other methods of communication, to determine its authenticity.
6. Any absence that is not documented in accordance with this regulation within ten (10) school days after the incidence of absence will be recorded as unexcused. E. Truancy Exceptions:

1. A student five (5) or six (6) years of age shall not be considered truant if the parent or person having control over such student has appeared personally at the school district office and exercised the option of not sending the child to school at five (5) or six (6) years of age.
2. Until June 30, 2023, a student seventeen (17) years of age shall not be considered truant if the parent or person having control over such student consents to such student's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form indicating such consent. Such withdrawal form must include an attestation from a guidance counselor or school administrator from the school that the district provided the parent (or person having control of the child) with information on the educational options available in the school system and community.
3. Beginning July 1, 2023, a student who is eighteen (18) years of age or older may withdraw from school. Such student shall personally appear in person at the school district office and sign a withdrawal form. Such withdrawal form must include an attestation from a guidance counselor or school administrator from the school that the District provided such

student with information on the educational options available in the school system and community.

4. Beginning July 1, 2023, a student seventeen (17) years of age shall not be considered truant if the parent or person having control over such child withdraws such child from school and enrolls such child in an adult education program pursuant to Con. Gen. Stat. 10-69. Such parent or person shall personally appear at the school District office and sign an adult education withdrawal and enrollment form. Such adult education withdrawal and enrollment form shall include an attestation (1) from a school counselor or school administrator of the school that the District has provided the parent or person with information on the educational options available in the school system and in the community, and (2) from such parent or person that such child will be enrolled in an adult education program upon such child's withdrawal from school.

2. If a student who has voluntarily withdrawn from school (in accordance with Section E.2 or F.4 above) seeks readmission within ten (10) school days of the student's withdrawal, the Board shall provide school accommodations to the student not later than three (3) school days after the student requests readmission.

G. Determinations of Whether a Student is "In Attendance":

1. A student serving an out of school suspension or expulsion shall be reported as absent unless the student receives an alternative educational program for at least one half of the regular school day. In any event, the absence is considered a disciplinary absence, and will not be designated as excused or unexcused.
2. On early dismissal days and days shortened due to inclement weather, the regular school day for attendance purposes is considered to be the amount of instructional time offered to students on that day. For example, if school is open for four hours on a shortened day scheduled, a student must be present for a minimum of two hours in order to be considered "in attendance."
3. Students placed on homebound instruction due to illness or injury in accordance with applicable regulations and requirements are counted as being "in attendance" for every day that they receive instruction from an appropriately certified teacher for an amount of time deemed adequate in accordance with applicable law.

H. Procedures for students in grades K-8

1. Notification
 - a. Annually at the beginning of the school year and upon the enrollment of any child during the school year, the administration shall notify the parent or other person having control of the student enrolled in grades K - 8 in writing of the obligations pursuant to Conn. (Reasonable efforts shall include two (2) attempts to reach the parent or other person at the telephone number provided by the parent or other person. Such attempts shall be recorded on a form provided by the Superintendent.) Any person who, in good faith, gives or fails to give such notice shall be immune from liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give notice.

I. Procedures applicable to students ages five (5) to eighteen (18)

1. Intervention

- a. When a student is truant, the building principal or designee shall schedule a meeting with the parent (or other person having control of such student) and appropriate school personnel to review and evaluate the reasons for the student's truancy. This meeting shall be held no later than ten (10) days after the student becomes truant. The school administration shall document the meeting, and if parent or other person declines to attend the meeting, or is otherwise is non responsive, that fact shall also be documented and the meeting shall proceed with school personnel in attendance.
- b. When a student is truant, the Superintendent or designee shall coordinate services with and referrals of students to community agencies providing child and family services, as appropriate. The school administration shall document efforts to contact and include families and to provide early intervention in truancy matters.

Beginning July 1, 2023, when a student is truant, an appropriate school mental health specialist, as determined by the District, shall conduct an evaluation of the student to determine if additional behavioral health interventions are necessary for the well-being of the child. "School mental health specialist" means any person employed by the District to provide mental health services to students, including but not limited to a school social worker, school psychologist, trauma specialist, behavior technician, board certified behavior analyst, school counselor, licensed professional counselor or licensed marriage and family therapist.
- e. If the Commissioner of Education determines that any school under the jurisdiction of the South Windsor Board of Education (the "Board") has a disproportionately high rate of truancy, the district shall implement in that school a truancy intervention model identified by the Department of Education pursuant to Conn. Gen. Stat. § 10-198e.
- f. In addition to the procedures specified in subsections (a) through (c) above, a regular education student who is experiencing attendance problems should be referred to the building Child Study Team (or other appropriate school-based team) to consider the need for additional interventions and/or assistance. The Team will also consider whether the student should be referred to a planning and placement team ("PPT") meeting to review the student's need and eligibility for special education. A special

education student who is experiencing attendance problems should be referred to a PPT meeting for program review.

Each attendance review team shall be responsible for reviewing the cases of truants and chronically absent students, discussing school interventions and community referrals for such truants and chronically absent students and making any additional recommendations for such truants and chronically absent children and their parents or guardians. Each attendance review team shall meet at least monthly.

D. State Chronic Absenteeism Prevention and Intervention Plan

The Board and its attendance review teams, if any, will consider any chronic absenteeism prevention and intervention plan developed by the State Department of Education.

III. Reports to the State Regarding Truancy Data

Annually, each local and regional board of education shall include information regarding the number of truant and chronically absent children in the strategic school profile report for each school under its jurisdiction and for the school district as a whole submitted to the Commissioner of Education. Measures of truancy include the type of data that is required to be collected by the Department of Education regarding attendance and unexcused absences in order for the department to comply with federal reporting requirements and the actions taken by the board of education to reduce truancy in the school district.

SAMPLE NOTIFICATION REGARDING STUDENT ATTENDANCE

Regular and punctual student attendance is essential to the educational process. Connecticut General Statutes Section 10-184 provides that “[e]ach parent or other person having control of a child five years of age and over and under eighteen years of age shall cause such child to attend a public day school regularly during the hours and terms the public school in the district wherein such child resides is in session, unless such child is a high school graduate or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools. For the school years commencing July 1, 2011, to July 2022, inclusive, the parent or person having control of a child seventeen years of age may consent, as provided in this section, to such child’s withdrawal from school. For the school year commencing July 1, 2023, and each school year thereafter, a student who is eighteen years of age or older may withdraw from school. Such parent, person, or student, shall personally appear at the school district office and sign a withdrawal form. Such withdrawal form shall include an attestation from a guidance counselor or school administrator of the school that such school district has provided such parent or person with information on the educational options available in the school system and community. The parent or person having control of a child seventeen years of age may withdraw such child from school and enroll such child in an adult education program pursuant to Connecticut General Statutes Section 10-69, Such parent or person shall personally appear at the school district office and sign an adult education withdrawal and enrollment form. Such adult education withdrawal and enrollment form shall include an attestation (1) from a school counselor or school administrator of the school that such school district has provided such parent or person with information on the educational options available in the school system and in the community, and (2) from such parent or person that such child will be enrolled in an adult education program upon such child’s withdrawal from school. The parent, person, or student having control of a child five years of age shall have the option of not sending the child to school until the child is six years of age and the parent or person having control of a child six years of age shall have the option of not sending the child to school until the child is seven years of age. The parent or person shall exercise such option by personally appearing at the school district office and signing an option form. The school district shall provide the parent or person with information on the educational opportunities available in the school system.”

In order to assist parents and other persons in meeting this responsibility, the South Windsor Board of Education monitors unexcused student absences and makes reasonable efforts to notify parents or other persons by contacting them when a student fails to report to school. State law provides that any person who, in good faith, gives or fails to give such notice shall be immune from any liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give such notice. The Board, therefore, must obtain a telephone number or other means of contacting parents or other persons during the school day.
