<sup>\*</sup> In light of the complexities of moving elementary classrooms and staff, Pleasant Valley will operate on a 180-student day calendar for the 2022-2023 school year. Students in all other elementary schools, as well as students in grades 6-12, will adhere to the 182-student day calendar. Dates are subject to change if emergency school closings are required. Any additional days that may be needed at the end of the school year due to emergency school closings are indicated on the calendar (#). If additional make-up days are needed, the Board of Education will reduce school vacations or add additional days at the end of the year.
